Dipali

For effective functioning of the University system, IQAC may also take steps to improve administrative functioning. IQAC will be responsible for developing quality benchmarks for both academic as well as administrative functioning of the University and their effective implementation. IQAC will work as a distinct entity within the university framework and its secretariat will maintain proper records. In addition to other responsibilities, IQAC will also prepare Annual Quality Assurance Report (AQAR) based on quality parameters and submit it to NAAC.
